October 2007

Wickham
Winner of Calor Hampshire Village of the Year

An entry to the National Competition is being prepared which will be judged next year. All local organisations will be invited to take part. Good luck to Wickham it deserves to win!

No. 69 bus service
Thanks to local campaigners the Sunday service will not be axed completely. A three hour service will remain.

Community and Public Transport information
A survey will be carried out during the next couple of months to find out ways to improve access to community and public transport information. A questionnaire will be delivered to every household, please take the time to return it.

Schemes to improve the availability of transport are also planned, these may target individual needs. In other districts young people have been provided with mopeds to allow them to reach work and training opportunities. Car share schemes are another possibility.

New competition for 2008
Best Summer Garden

An annual competition is to be held starting in 2008 to find the best summer garden in Wickham and Knowle.

A trophy will be awarded in memory of Brian Sharp, who was a very active councillor and member of the community, judging will take place during July 2008.

Adopt a Pavement

There are a number of local people who very kindly collect litter helping to keep the village and the Water Meadows tidy.
It is greatly appreciated and is really making a difference.

If you would like to adopt a pavement please contact the Clerk
