New competition for 2008 Best Summer Garden

An annual competition is to be held starting in 2008 to find the best summer garden in Wickham and Knowle.

A trophy will be awarded in memory of Brian Sharp, who was a very active councillor and member of the community, judging will take place during July 2008.

Adopt a Pavement

There are a number of local people who very kindly collect litter helping to keep the village and the Water Meadows tidy. It is greatly appreciated and is really making a difference.

Paul Collins our groundsman has reported that he is collecting 6 bags per visit instead of the usual 11 thanks to our volunteers.

This gives Paul more time for other useful jobs that keep our village looking great.

If you would like to adopt a pavement please contact the Clerk, litter pickers provided.

Grants for Local Organisations

Does your organisation need assistance with funding for new projects? The Parish Council may be able to assist. Contact us for more information.

Policing issues

Sergeant Chris Stanton attended the Parish Council meeting on 15th October and provided some very useful feedback on their work to combat rowdy and inconsiderate behaviour.

If this is a problem in your area it is very important that incidents are reported to the Police, always obtain a call number to ensure it is logged.

The Police will place resources where problems are regularly recorded.
