Updating the Parish Plan and Village Design Statement

A questionnaire was delivered to every household during the summer with the Parish Magazine asking for opinions on a number of issues. **If you have not yet returned your survey please do so by 14th September.** The surveys can be downloaded from the Parish Council website or contact the Clerk for further copies. Collection points are Warwicks in The Square and the Community Centre. Alternatively return to the Clerk by email or post.

A new home for Wickham Scouts

The Parish Council is working with the Scouts to deliver a new building to serve their needs.

Many residents have complained that the damaged Scout HQ has yet to be demolished.

The Parish Council has been urging the Scouts to carry out the work for the last year and a half and hopes it will be completed, as promised, by the end of August.

Affordable Housing for Local People

Two schemes of affordable houses are currently being planned, a total of about thirty new homes. If you have not registered your interest in an affordable home during the recent surveys please contact the Parish Council as soon as possible.

The Parish Council is particularly keen to hear from local people looking to buy their first home in Wickham who may be interested in a shared equity property.
