Wickham Flooding Study

Hampshire County Council is leading a study to look at how flooding problems in Wickham can be mitigated and managed. Your Parish Council Chairman and Clerk are part of the team.

Work to alleviate flooding in Fareham Road adjacent to Mole Country Stores (Scats) will be carried out shortly, the road will be closed overnight and diversions will be in place.

Wickham Skatepark

The skatepark is currently being refurbished, the ramps have reached the end of their lives having served their users well for 14 years. The project is being partly financed by Open Space Funding, money given to Wickham by developers to pay for sports and recreation facilities.
